

“ I want to THANK YOU for the wonderful and successful time my son had at camp. Camp was SO MUCH more than getting his hunter safety permit... You made a definite impact. He so looks forward to next year. ”

## HUNTER SAFETY CAMP & OUTDOOR SURVIVAL

Ages 9-17

Nationally recognized state certified hunter safety course. We take the basics of this course and expand upon it with extensive applied application. Students are evaluated in three areas:

- A written test consisting of 60 multiple choice and true/false questions (passing grade 80%)
- A practical test of safe firearms handling
- An evaluation of the students attitude and sense of responsibility as demonstrated throughout the week

There is not a better environment where you can share this learning experience with other interested students and a qualified instructor. Some of the activities include but are not limited to:

- Fly Fishing and Knot Tying
- Firearm Care and Cleaning
- Rifle Shooting
- Understanding Sporting Dogs
- 5-Stand Sporting Clays
- Track Identification
- Upland Bird Hunt
- Wildlife Conservation

“ I sent you a boy and received a young man back. I now have a hunting buddy for life... ”

## DAY SEMINARS

FIVE STAND SPORTING CLAYS

TARGET SHOOTING

LIVE PHEASANT HUNT

INTRODUCTION TO SHOOTING SPORTS

INTRODUCTION TO FLY FISHING

## FIREARM SAFETY

Upon arrival you and your child are introduced to our instructors and given instruction on the fundamental rules for safe gun handling.

## ADVANCED CAMP MARKSMANSHIP

Ages 11-17

In order to participate, campers must show proof of the completion of a Hunter Safety Certification Course. This is the follow-up camp to our Hunter Safety Camp. The focus is a 'team' atmosphere.

This camp teaches participants how to be positive mentors. We show them how to gain gratification in practice, patience and persistence. With a reward at the end of the week of a Deschutes White Water Raft Trip, campers are separated into competitive teams and participate in:

- Rifle target shooting
- Pistol target shooting
- 5-Stand Sporting Clays
- Understanding Sporting Dogs
- Fly Fishing
- Archery
- Muzzle Loader

“The week I had was a memory that will last me a lifetime, I can not tell you how cool it is to be introduced to hunting the way I was... this camp taught me everything.”

— Michael Reid, Portland, OR
